

Effects of the Integration of Mysore Civil Services with the Centre.

*Q.—187. Janab SYED ABDUR RAHMAN (Chickmagalur *cum* Shimoga-Muslim).—

Will the Government be pleased to state :—

(a) the effects of the integration of Services with the Centre;

(b) the pay and prospects of the officials affected by such integration;

(c) whether any representations have been made by the officials who are transferred under these arrangements to the Centre regarding their scales of pay, salaries and allowance?

A.—The Hon'ble Sri H. C. DASAPPA (Minister for Finance and Industries).—

(a) One of the effects is that the Mysore officials will have opportunities to serve in the Central cadre.

(b) This is covered by Para 11 (1) of the Report of the Indian States Finance Enquiry Committee Part, II extracted under.

“The permanent staff wholly (or substantially) engaged on work connected with “Federal” subjects in States on the prescribed date should be taken over by the Centre in appropriate grades and upon terms not less advantageous than in the Service of the States. Temporary staff so engaged should also be similarly absorbed as far as possible having due regard to their suitability. The States attach considerable importance to this point, and would be glad to release all such staff consistent, of course, with their own requirements in those departments (such as Excise) where the subjects dealt with are both “Federal” and “Provincial”.
